“The Church has in a special way the duty and the right of educating, for it has a divine mission of helping all arrive at the fullness of Christian life”. Canon 794:1

Our Draft Vision

A family focused school community, nurturing learners through Catholic faith.

Our Draft Mission

Empowering ākonga through faith and service.

Our desire is to be a school where children can be given an excellent Catholic education and achieve excellent academic standards.

We expect our graduating students to be self-motivated, self-managing children who will take their faith, values, and love for all learning into adulthood; to become productive, caring, and thoughtful citizens adding value to their own lives, and the lives of those around them in the local and wider community.

We expect all those involved in the life of our school community, especially parents, Board members, and staff to actively support our vision and mission.

Our School

“The school is a Roman Catholic school in which the whole community through the general School programme and its religious instruction and observances, exercises the right to live and teach the values of Jesus Christ. These values are as expressed in the scripture and in the practices, worship, and doctrine of the Roman Catholic Church, as determined from time to time by the Roman Catholic Bishop of the Archdiocese of Wellington, currently Archbishop Paul Martin”. (PSCIA 1975)

The Archdiocese of Wellington’s Vision for Our Catholic Schools

Every student in a Catholic school participates fully in a community of believers that is inspired by the Scriptures and nourished by the Eucharist. Teachers and all staff are Gospel witnesses who inspire, encourage, and support their students to:

“Walk the way of Jesus Christ.
Live the life of Jesus Christ
And tell the truth of Jesus Christ.”

In doing so students realise their full potential as children of God within a holistic education system delivered with excellence.

OUR FOUNDATIONAL TEACHING PEDAGOGY

“PEDAGOGY OF LOVE”

Based on the gospel, this pedagogy demands that we teach by looking at the world through the eyes of our students, not our own.

This pedagogy also asks us to reach out to children ‘on the periphery.’ Those who are poor, rejected, and isolated.

Nano Nagle’s (Foundress of the Presentation Sisters) call was to provide care and education to those who were poor, rejected, and isolated.

FAITH VALUES

- Fun - Rekareka
- Aroha
- Integrity - Ngākau Pono
- Togetherness - Whanaungatanga
- Hospitality - Manaakitanga

[1 Kings 1:40](#) And all the people went up after him, playing on pipes, and rejoicing with great joy, so that the Earth was split by their noise.

[Luke 10:27](#) He answered, “You shall love the Lord your God with all your heart, and with all your soul, and with all your mind; and love your neighbour as yourself.

[Proverbs 20:7](#) The righteous walk in integrity – happy are the children who follow them!

[1 Peter 3:8](#) Finally, all of you, have unity of spirit, sympathy, love of the brethren, a tender heart and a humble mind.

[Hebrews 13:2](#) Do not neglect to show hospitality to strangers, for thereby some have entertained angels unawares

Saint Teresa House won the FAITH Cup in 2022.

EXCELLENCE AT OUR LADY OF KĀPITI

We are what we repeatedly do. Excellence is therefore not an act but a habit.
(Attributed to Will Durant, *The Story of Philosophy* (1926) summing up Aristotle's writing from *Nicomachean Ethics*)

- We give our best in whatever we do.
- We give our best in relationships.
- We set sensible and realistic goals.
- We keep trying, and learn from our mistakes.

OUR SCHOOL CURRICULUM

Priority learning areas are...

Religious Education

- Teaching children the core beliefs, doctrines, and traditions of the Catholic church.
- Teaching and developing the core values of our school and the Catholic faith.
- Integration of the Catholic Social Teaching Principles

Literacy and Numeracy

- Teaching children to read, write, comprehend, infer, speak, listen, spell, view, and present.
- Teaching children to be numerate, to develop mathematical knowledge and understanding, and to use mathematical strategies to solve problems that relate to everyday life.
- Digital literacy: to be competent, discerning users of digital media.

The learning areas of **Science, Social Studies, NZ Histories, and Technology** are integrated with the RE curriculum and Catholic Social Teaching Principles and are taught through a topic and/or inquiry-based approach term by term. Students are encouraged to inquire into these topics and are taught to question, reflect, research, comprehend, create, and share. The context for inquiry needs to be relevant, authentic, and meaningful.

The **Performing** and **Visual Arts** are integrated into the classroom programme, to complement topic/inquiry units, the liturgical year, and events.

Health and Physical Education

Physical fitness is a priority at Our Lady of Kāpiti School. Regular physical education sessions, sport, and outdoor education develop fitness, skills, and positive attitudes to health and well-being.

Languages

Learning opportunities available may include:

- Te Reo Maori
- Spanish
- Sign Language

ASSESSMENT – LITERACY AND NUMERACY

All teachers regularly assess children formally and informally as part of the classroom teaching programme. All these assessments are designed to assist teachers in planning where they need to take the children next in their classroom learning and teaching programme and make “overall teacher judgments” about the levels of student achievement.

Key formal assessments -

- Junior assessments in literacy
- e-asTTle Writing
- LOMAS (Year 6-8)
- GLOSS (mathematical strategy) (Year 4-8)
- JAM (junior maths assessment) (Year 0-3)

NZ Council of Educational Research - Progress and Achievement Tests Years 4-8

- Maths
- Punctuation and Grammar
- Reading Comprehension
- STAR (Reading) Y3-8, Term 1 and Term 4

Progress and Achievement Test results and trends are reported to the Board of Trustees. All NZCER and Numeracy Assessments are benchmarked nationally. Student achievement data and summaries are reported to the Board of Trustees and the Ministry of Education.

REPORTING TO PARENTS AND CAREGIVERS

| | |
|--------|---|
| Term 1 | Open Night |
| Term 2 | Parent conferences. Sharing of achievement summary to date. |
| Term 4 | Written report and achievement summary for the year. |

A teacher’s judgment on a child’s progress is based on classroom observations and assessments, and school expectations moderated to the requirements of the NZ Curriculum. Parents are welcome to make a time with the class teacher to discuss their child’s learning and progress at school at any time during the year.

Class Dojo, a classroom communication app is used extensively. It connects teachers and caregivers, allowing each family to see their child’s achievements throughout the year through messages, photos, and videos. It can also be used for direct communication between the parent and classroom teacher.

PAYING FEES, CONTRIBUTIONS AND DONATIONS - KINDO ONLINE

Our Lady of Kāpiti School has opted into the Ministry of Education's donation scheme for 2024. What this means for our school community is that **we will no longer be asking for parent voluntary donations, events, and activity fees or contributions.** Instead, the funding we will receive from the Ministry of Education will cover any trips, our swimming sessions, and other curriculum-based activities.

Attendance Dues, the technology charge for take-home components (Y7 and 8 only), stationery and school uniforms are still costs that parents and caregivers need to cover. As are the fees for out-of-hours extracurricular sports such as touch rugby and netball. School camp costs will need to be covered by a camp voluntary donation. Any fees assigned (except Attendance Dues) can be paid through Kindo (kindo.co.nz), which is our preferred payment method. Kindo offers an easy way for you to view and pay for your child's needs, and complete permission slips and other forms, online.

It's quick, secure, and open 24/7, and offers many card and bank transfer options, and options to hold an online balance or pay-as-you-go.

In 2024 the Archdiocese of Wellington is also introducing a voluntary Catholic Character Donation Scheme of \$50 per child.

PARENT HELP

There are several ways families can assist in and around the school.

- **SoK** (Support our Kids) is our school's parent-teacher association. SoK is a friendly group of caregivers who work tirelessly to raise money for our school. New members are always welcome. Please email SoK at olok.sok.com@gmail.com to find out more information.

FAMILY FORMATION

Family Formation aims to help form families in the Catholic faith. Regular evening meetings are held throughout the year for parents and primary-aged children. For further details contact the Parish – kapitiparishoffice@gmail.com

The Sacramental Programme

The Sacramental Programme includes Reconciliation and the Sacraments of Initiation – Confirmation and First Holy Communion.

While Baptism is the sacrament that begins our journey in the Church, it does not complete it. Confirmation and Eucharist (First Holy Communion) are the three "Sacraments of Initiation", by which we become full members of the family of the Church. In the Catholic Church we believe that children (with the support and guidance of parents and others) can share the journey of faith, and these sacraments are one of the ways in which that faith is received and nourished.

Our parish has a strong history of parents, parish, school and youth ministry working together to support our young people as they journey through and beyond the Sacraments of Initiation in their spiritual life. Pivotal to this is supporting parents with the knowledge that they as first teachers are not the only teachers for their child's faith journey.

Children in Year 4 and older can join the programme, which is run over 3 terms – Reconciliation in Term 1, Confirmation in Term 2 and First Holy Communion in Term 3. Both children and parents have separate sessions running at the same time before mass on a Sunday morning.

As a community, we feel that the multipronged approach with parish, school, youth ministry and families working together reflects the gospel call to work in community to guide our young people as they walk forward on their spiritual journey.
