SUPPORT YOUR SCHOOL with
The PAPERPLUS REBATE TO SCHOOLS
PROGRAMME 2020

Dear Parent / Caregiver

PaperPlus has traditionally offered an extensive range of back-to-school stationery requirements that are competitively priced, all from one convenient location. Next year, once again, Our Lady of Kāpiti School and PaperPlus have entered a community partnership in which PaperPlus will stock all the required items at competitive prices and the school earns a valuable rebate on all student purchases for the duration of the Back-to-School programme.

Students simply shop with PaperPlus, identify themselves as Our Lady of Kāpiti School pupils, make their purchases and receive their receipt in the usual way. PaperPlus will record all purchases made and at the end of the promotion provide reconciliation back to the school for the rebate funds you have earned for the school.

The programme will begin on **Monday 6 January** and will run for 5 weeks to **Sunday 9 February** and includes all stationery purchases made during that period.

For your convenience, **PaperPlus will have lists available for every class** for the 2020 school year and will be able to offer all the advice and service you have come to expect.

By leaving the base of this form at the counter or quoting your school when making your stationery purchases, the school collects a valuable rebate which supports the school's activities and with our **Best Price Guarantee*** you are sure to save as well.

We make it even easier to organise all your stationery needs; you can either:

- **visit Paper Plus** and select your stationery from your school list available in-store
- use our **special order service**; simply mark up your school list with what you require, drop it in and we will fulfill your order and make it available for collection next day, no waiting, no hassle **and our Best Price Guarantee*!**
- **shop on-line** at www.paperplus.co.nz/backtoschool from 6 January 2020 and orders over \$50 will be delivered free of charge direct to your home.
- Visit the school website www.olok.school.nz and click on the Paper Plus link and select your class.

PaperPlus and Our Lady of Kāpiti School are pleased to enter into this scheme to support the school and look forward to your support and remember, **only Paper Plus rewards you with VIP points.**

** We guarantee to have the best price on every single advertised line during our School Stationery Sale. If you find another retailer advertising and selling an identical product (same brand, same item) for less, we will happily match it.*

BYOD – Chrome Books

At Our Lady of Kāpiti School we strongly recommend that senior students (specifically those in Year 7 and above) bring their own device to school to support their learning. A Chrome Book allows students to have ready access to the internet for research, Google Docs and Slides for writing, presentations and online learning programmes. It is easier to be an independent learner when you have your own tools and don't have to share.

While we do not require a specific device, we have found that a device with excellent battery life, keyboard and screen and small enough to be carried is ideal.

There are several organisations that offer Chrome Books at competitive prices. We, in collaboration with other schools in the Kāpiti area recommend the Whakaaro Hou Trust which offers the opportunity for families to purchase a Chrome Book including insurance, warranty and carrier bag for a very reasonable price. There are options for paying off the device over either a two or three-year period. You can visit the Whakaaro Hou Trust website for more information.

Noel Leeming also offer a fantastic range of devices. Go to <https://www.noelleeming.co.nz/byod-toolkit> and find out what devices and bundles are available. Included on this link is also a handy guide for parents to help you choose the best device for your child and information about accessing a Good Shepherd New Zealand NILS (No Interest Loan Scheme).

Conbrio IT is a company that also works with a number of schools. They offer a mix of new and ex-lease, refurbished and updated IT equipment at competitive prices. Chrome Books can start at as low as \$130 + GST. They are happy to work directly with families and are set up to accept WINZ payments and also offer layby. You can contact Conbrio by emailing, sales@conbrio-it.com or phoning (09) 272 2676.

While we are encouraging BYOD it is not essential and students will not be penalized for not having their own device. There are school owned Chrome Books in each class and these can be used by any student who does not have their own computer,

Maria Higgison

Deputy Principal
