### **BYOD – Chrome Books**

The learning needs of students in the 21st century are different to those of previous generations. The NZ Curriculum reflects this need with a strong focus on promoting digitally capable, global citizens. To help achieve this, at Our Lady of Kāpiti School we strongly recommend that senior students (Years 5-8) bring their own device to school to support their learning.

Chromebooks are our preferred device option. Some of the reasons for this are: a long battery life (requiring no charging throughout the school day), attached keyboard and reasonable size screen, able to get online quickly, lightweight for carrying between home and school. Having one preferred device also increases equity between students e.g. they are all on a level playing field. Chromebooks are also a preferred device at both local Colleges, which means Year 8 students can keep using them through to Year 13. A Chrome Book allows students to have ready access to the internet for research, Google Docs and Slides for writing, presentations and online learning programmes. It is easier to be an independent learner when you have your own tools and don't have to share.

Parents are free to buy devices through such places as Warehouse Stationery, Harvey Norman etc. Noel Leeming also offer a fantastic range. Go to <https://www.noelleeming.co.nz/byod-toolkit> and find out what devices and bundles are available. Included on this link is also a handy guide for parents to help you choose the best device for your child. Wherever you buy from though, just make sure to ask about warranty and insurance.

While we are encouraging BYOD it is not essential, and students will not be penalised for not having their own device. There are school owned Chrome Books in each class and these can be used by any student who does not have their own computer.

**SUPPORT YOUR SCHOOL with  
The PAPERPLUS REBATE TO SCHOOLS PROGRAMME 2022**

Locally owned. Friendly people. Great advice.

Dear Parent / Caregiver

Paper Plus has traditionally offered an extensive range of back-to-school stationery requirements that are competitively priced, all from one convenient location. Next year, once again, Our Lady of Kāpiti School and Paper Plus have entered a community partnership in which Paper Plus will stock all the required items at competitive prices and the school earns a valuable rebate on all student purchases for the duration of the Back-to-School programme.

Students simply shop with Paper Plus, identify themselves as Our Lady of Kāpiti School pupils, make their purchases and receive their receipt in the usual way. Paper Plus will record all purchases made and at the end of the promotion provide reconciliation back to the school for the rebate funds you have earned for the school.

The programme will begin on **Monday 3 January** and will run for 6 weeks to **Sunday 13 February** and includes all stationery purchases made during that period.

For your convenience, **Paper Plus will have lists available for every class** for the 2022 school year and will be able to offer all the advice and service you have come to expect.

By leaving the base of this form at the counter or quoting your school when making your stationery purchases, the school collects a valuable rebate which supports the school's activities and with our **Best Price Guarantee\*** you are sure to save as well.

**We make it even easier to organise all your stationery needs; you can either:**

- **visit Paper Plus** and select your stationery from your school list available in-store
- use our **special order service**; simply mark up your school list with what you require, drop it in and we will fulfill your order and make it available for collection next day, no waiting, no hassle **and our Best Price Guarantee\*!**
- **shop on-line** at [www.paperplus.co.nz/backtoschool](http://www.paperplus.co.nz/backtoschool) from 3 January 2022 and orders over \$50 will be delivered free of charge direct to your home.
- Visit the school website [www.olok.school.nz](http://www.olok.school.nz) and click on the Paper Plus link and select your class.

Paper Plus and Our Lady of Kāpiti School are pleased to enter into this scheme to support the school and look forward to your support and remember, **only Paper Plus rewards you with VIP points.**

*\* We guarantee to have the best price on every single advertised line during our School Stationery Sale. If you find another retailer advertising and selling an identical product (same brand, same item) for less, we will happily match it.*
