Fees

Fees for **14 games** are **\$40.00 for the first child in the family, then \$30.00 for each subsequent child per family.** If we have enough for a **Year 8 team, the fees will be \$25.00 for the half season.** This year we have reduced fees due to COVID last season and missing out on half a season of game time. Can we please have one registration form for each child. **Registrations and payments need to be made via Kindo by Friday 16th September 2022.**

Please note that there is a **no pay no play** policy (please note that all prior years fees also need to have been paid in full as well, these are already on Kindo). Any queries about this please contact either Kate in the Office or Viv Conroy our principal. We are asking for payments to be paid via Kindo, however if you have any difficulty with this or want to pay the subs off please be in contact with Kate in the Office.

Teams

Each team has limited numbers, with a minimum of 4 girls per team (for the U12 and U14 grades), with a recommended team maximum of 10. Teams will be streamed where there is more than one team represented in a grade. This is to ensure all players are given the best opportunity to enjoy the game. We can have an all-boys team in the higher grades, so we have included this on the registration form.

Season Dates

The first leg of the season starts on Tuesday 25th October 2022, stopping for Christmas break on Thursday 15th December 2022 which makes 8 weeks.

Leg two of our season starts on Tuesday 14th February 2023, until Thursday 23rd March 2023 which makes 6 weeks.

Uniform

All players must wear our school touch top (which will be issued at the beginning of term 4) and either our bottle green P.E. shorts or black shorts as their uniforms during play. Boots with metal sprigs, open footwear (i.e. jandals) or **bare feet aren't allowed** on touch fields, referees will send offending players off the field.

Please note that no uniform, no game play.

Each child will be given a school touch top with a number assigned to it. This must be returned at the end of the season in good condition. **If this top is lost or returned in an unsatisfactory condition, you will be charged the full price to replace it i.e. \$30.00 each.**

Cancellations

In the event that we need to cancel play due to weather, Kapiti Junior Touch will update their website, their Facebook page and inform me as soon as they are able and I will inform all coaches as well as the school office.

Coaches and Helpers

We require coaches and helpers for every team we enter, no previous experience is needed. Please don't let not being able to run a practice at school stop you from stepping up. Remember, if we do not have coaches, our players will be unable to play.

Touch has one of the highest participation numbers of any summer sport in Kapiti and we hope this is because it nurtures some of the **positive values of sport – fair play, participation? And fun**. Please consider coaching a team, it's not hard, and is a rewarding experience.

Please consider coaching a team, it is a rewarding journey and Touch NZ has online training and coaching skills clips available for coaches via <https://www.touchnz.co.nz/>

Referees

KJT support and train junior referees from 10yrs up are an integral part of our module. Our referees are supported throughout each season, make new friends, whilst obtaining personal growth and confidence, with many pathways and opportunities ahead to choose from. If you would like to do our referee course, please indicate upon registering or via KJT website <https://www.touchnz.co.nz/>. Adults are also welcomed to attend.

KJT School vs School Tournament

To showcase the best players within our module, for the 11th year running, KJT will run this event on the **26th March 2023**. There will be automatic entry for each grade from each school within Kapiti, team selections and entries via school coordinators/coaches in February.

Conduct

Sportsmanship is defined as: playing fair, following the rules of the game, respecting the judgment of referees, and treating opponents with respect.

As this is part of our school values, it is imperative that players, coaches, and parents who are involved with Our Lady of Kapiti school touch teams always uphold this, this includes off the field as well.

This means lots of positive encouragement and support for the teams and most importantly the coaches who give up their time.

Thank you and here's to a great, exciting, and fun filled season.

Positive Parent Guidelines

Good sport is about positive attitude. You can set the right tone and help to make your child's involvement in sport successful. Ensure that you:

- Encourage your child, and other people's children, in their efforts in sport
- Insist that your child plays within the rules and plays fairly
- Respect your child's efforts regardless of whether s/he has won or lost
- Display self-control on the side-line. Always be positive. Do not ridicule players or shout at them in a negative fashion.
- Watch your child play and let him/her enjoy the game
- Show your appreciation to people who volunteer their time so that your child can play
- Remember your child plays sport for his/her reasons, not yours.
- Be a positive role-model for your child
- Never put undue pressure on your child to perform
- Try to understand the rules of the game
- Promote competition as an important aspect of participation in sport while ensuring that your child accepts winning and losing gracefully.
- Give it heaps and don't get ugly!
